25X1 4. [ ] In response to her call of yesterday, I  
25X1 advised Mae Sykes, Legislative Liaison Office, USIA, that according to  
[ ] has legal voting residence in the 22nd District  
of Texas (Representative Bob Casey's district) and I asked if she would be  
willing to pass this information back to Casey's office. She said she would  
take care of this. I also called her attention to a similar inquiry which was  
received through her office on 4 November 1970.

25X1 5. [ ] Larry Turk, Administrative Assistant to  
Representative Ogden Reid (D., N.Y.), called to say the Congressman is  
out of town today but plans to have a meeting with Israeli Prime Minister  
Golda Meir in New York on Monday. He added their office had received a  
call from a man who identified himself as Stewart Henry of the Secret Service  
and Henry had asked for details about people Mr. Reid might plan to bring  
with him. Turk has some question about Henry's bona fides and asked if  
we could assist them in verifying his association with Secret Service. I  
told Turk that in view of the recent clamor over Agency involvement in  
internal U.S. matters, I would prefer to have someone from the Washington  
office of the Secret Service contact him on this and inform him about Henry.  
This was arranged through [ ] Security. 25X1

25X1 6. [ ] Gene Tollefson, on the staff of Senator  
Henry M. Jackson (D., Wash.), called to say some constituents have learned  
about an old OSS film entitled "The White Horse" which was made in 1952  
and they are interested in seeing this film if it is available. Tollefson asked  
if I would check to see if it was classified and, if not, whether it could be made  
available for them.

25X1 7. [ ] I met with David Martin, Senate Internal 25X1  
Security Subcommittee staff, at his request today. We talked at some length  
about the value of the testimony given the Subcommittee by [ ]  
and concluded by saying that in his opinion [ ] had considerable information 25X1  
which might be of interest to the Agency and he wanted to once again ask if  
the Agency was interested in meeting with [ ] this afternoon before his 25X1  
departure [ ] I told Martin I was quite certain this was  
out of the question at this point in time but told him I would contact our people  
and let him know if we had any interest in seeing [ ] The above was 25X1  
passed on to CA Staff by [ ] with the understanding they would be back 25X1  
in touch with us if any interest developed within the DDO.
